PRODUCT INFORMATION SHEET

PRODUCT: MagiKLEEN Antibacterial Surface Cleaner

Prepared for the thorough cleaning and sanitising of all areas where a complete broad spectrum disinfectant is required.

FEATURES:

Magikleen Antibacterial Surface Cleaner is highly effective; it contains quaternary ammonium for the thorough removal of harmful germs that may reside on surfaces.

Safe to Use – Magikleen Antibacterial Surface Cleaner properties:

- ENVIRONMENTALLY FRIENDLY
- WATER SOLUABLE
- BIO-DEGRADABLE

Magikleen Antibacterial Surface Cleaner does not use:

- FLAMMABLE CHEMICALS
- HARMFUL CHEMICALS
- TOXIC CHEMICALS

Magikleen Antibacterial Surface Cleaner is safe and sensitive to the skin and will not adversely affect the health or safety of the user.

Safe on Surfaces – Magikleen Antibacterial Surface Cleaner is suitable to leave on food preparation areas without the need for rinsing.

Positively removes harmful germs such as P.vulgaris, staphylococcus, salmonella and E.coli C to name a few.

DIRECTIONS FOR USE:

When using around electrical products ensure that the electrical device has the power turned off. Spray Magikleen Antibacterial Surface Cleaner onto microfibre cloth and wipe down product to provide a hygienic germ free environment.
